

Dear Austin High Community and Supporters,

Are you ALL IN for Austin High?

We are kicking off the 5th Annual ALL IN for Austin High spring fundraising event and we need your support! We hope you will consider sponsoring, as well as joining us at the outdoor event on the evening of Saturday, April 15 at Lions Municipal Golf Course.

ALL IN for Austin High is the only school-wide effort focused on raising funds to give our students high-level academic and enrichment programs that the district cannot cover. With your support, we can help provide the best possible public education to every Austin High student.

Your donation will go toward the PTSA's Austin High Excellence Fund, which directly supports ALL the great things happening at Austin High including:

- Our innovative and inclusive four-academy structure
- Travel and field trip opportunities
- Challenging and diverse academic experiences
- A wide variety of electives and extracurricular opportunities

For more information on sponsorships and to donate or buy event tickets, please visit [www.austinexcellence.com](http://www.austinexcellence.com). Be sure to contact your HR Department to see if your company offers matching gifts. *Note that the deadline for sponsorship recognition on printed materials is April 7.*

Due to significant campus budget cuts from the district level, your donations are essential to ensure AHS students continue to receive the educational experiences we've come to expect. Your support at any level of ALL IN is more important than ever! We can't do this without ALL of you.

Hope to see you on Saturday, April 15th!!

Loyal Forever,

*Shannon Grethel and Lauren Whelan*
